### [Millcraft Industries Rolls Out New Hospitality Company](#)

Millcraft Industries of Washington County announces the formation of a new third party, hospitality development and management company called Vue Pointe Hospitality. Millcraft Industries currently owns and manages the Hilton Garden

Inn Pittsburgh / Southpointe and Doubletree Hotel Pittsburgh Airport. With over 50 years of successful ventures in the hospitality and real estate industries, this was a natural progression for Millcraft.

The Board of Directors of Vue Pointe Hospitality named Paul S. Bazzano as Executive Vice President of Operations, Marcus M. Piatt as Vice President of Development and Carol Ifft as Director of Hotel Operations.

Vue Pointe Hospitality is a full-service management and hospitality company that focuses on the importance of employee and guest satisfaction as well as providing quality service in all aspects of hospitality including: management, operations, development, guest services, food and beverage and banquets.

Millcraft founder and Chairman Jack B. Piatt Sr. stated, "This is a great opportunity to broaden our base of hotel operations and assist hotel owners using management principles that are derived from the owner's perspective. As hotel owners, we fully understand how important effective management is to hotel operation."

Vue Pointe provides top notch services in the areas of hotel operations, development and procurement. Executive Vice President of Operations, Paul Bazzano stated, "We initially plan to grow regionally, and over the next few years move into the national hotel management market. We see tremendous upside to this new venture."
